

Hi West Valley Softball families!

A reminder that evaluations start on Sunday morning! Your child must be registered for the 2020 softball season in order to be evaluated. Registration for this season can be done through the West Valley website:

<http://wvsoftball.weebly.com>

Please ensure your child attends at least one of the evaluation sessions, which are this Sunday, March 1st and next Sunday, March 8th. Sessions have been extended to 2 hours, and times changed, for the next two weeks.

Times:

U10 and U12: 9 to 11 am (could we have some volunteers come for 8:30 please to help set up...sign up link is below)

U14/16/19: 11 am to 1 pm

No LTP practice on March 1st or 8th. Enjoy your two weeks off LTPs!

What to bring: batting helmet (including face guard (junior size for younger players)), fielding mask (youth size for younger players), glove, water bottle and indoor shoes. West Valley will have some bats at practice for players who don't have one. Please talk to any of the coaches at practice, or send us an email, if you have questions about equipment.

Location: Bearspaw Christian School, 15001 69 St NW, in the large gym. A map of where the large gym is located at the school is attached.

We have some coach/volunteer slots open for all age categories for all upcoming dates. If you have an interest in coaching or assistant coaching this season, please sign up for some sessions so you can get familiar with drills, and get to know the players in your child's age category. Signing up lets us know how many helpers are coming, so the coaches can plan activities accordingly. We appreciate our volunteers, thank you!
